## 2. Summary of activities of the board and its committees;

In the year 2025 Supervisory Board have conducted permanent supervision of the ongoing activities of the Company, in connection with performance of its supervisory powers the Supervisory Board held five meetings and two resolutions were adopted outside the meetings. The Supervisory Board meetings were held at the Company's office in Warsaw, with the possibility of remote participation. Most of the meetings were attended by all the members of the Supervisory Board, while occasional absences were reported to the Chairman of the Supervisory Board and excused.

Significant area of the Supervisory Board activities in 2025 was to assess the current results of the Company, realization of the budget by the Management Board and to analyse the Company's strategy in all directions of its activity. The Management Board regularly informed the Supervisory Board of the feasibility of achieving the planned strategic objectives of the Company, as well as financial results of the Company. Individual objectives and strategic intentions of the Company were reported and discussed during the meetings between members of the Supervisory Board and the Management Board of the Company and have been approved by the Supervisory Board. The Supervisory Board received detailed information and explanations on the state and perspectives of cooperation with companies under the holding company and within the Capital Group and on the results of Company's subsidiaries.

Furthermore, in view of the amendments to the Act on Statutory Auditors, Audit Firms and Public Supervision of 6 December 2024, the Supervisory Board, by a resolution dated 28 January 2025, updated the By-laws of the Supervisory Board with regard to the tasks of the Audit Committee concerning the certification of sustainability reporting.

In addition, the Supervisory Board finds that the situation of the Company in the year 2025 must be assessed by prism of the purpose for which the Company was formed, which is building a holding structure, which gather information technology companies primarily from countries in the Central and Eastern Europe. The intention is to make as the main source of the Company's revenues dividends paid by Company's subsidiaries.

The Supervisory Board confirms the continuation of the very good cooperation with the Management Board of Asseco South Eastern Europe S.A.

Eight meetings of the Audit Committee took place in 2025, during which the Committee carried out the tasks set out in Article 130 of the Act on Statutory Auditors, Audit Firms and Public Supervision. Following the Audit Committee's adoption of the 2025 Work Plan, which describes in detail the range of topics to be discussed at each meeting, the Audit Committee implemented the issues contained in the Plan. The majority of meetings were attended by all Audit Committee Members, while incidental absences were excused. The Committee's meetings were held in Warsaw at the Company's office (in case of personal attendance) or via an application allowing remote meetings.

The Audit Committee of Asseco South Eastern Europe S.A. held meetings with the auditor BDO spółka z ograniczoną odpowiedzialnością ("BDO") prior to the publication of the financial results for Y2024, at which BDO representatives presented the summary report on the audit of the financial statements of the Company and the Asseco South Eastern Europe S.A. Group. During the meeting, all relevant issues related to the financial statements were discussed. Furthermore, during the meeting, prior to the publication of the annual financial statements, the Auditor presented an additional report to the Audit Committee.

The Audit Committee, taking into account the statements of the audit firm and the auditors, after discussion among itself, considered that both the audit firm and the persons auditing the Company's and the Group's financial statements for Y2024 met the independence requirements.

In addition, the Audit Committee assessed the audit process as proper, fair and independently performed in accordance with the relevant national laws and professional standards.

The Audit Committee monitored the financial reporting process and the effectiveness of key procedures to ensure that the financial statements and management and financial reports are properly prepared and contain reliable data. In addition, the Audit Committee reviewed the issues covered by the risk management process affecting the Company's financial reporting process. In conjunction with the results of the audit, the Audit Committee concluded that its assessment of the accuracy and reliability of the financial statements was consistent with that of the Auditor.

During the Audit Committee meetings prior to the publication of the financial results for the first and third quarters of 2025, members of the Audit Committee reviewed the financial statements, while the members of the Management Board answered additional questions from the Audit Committee.

At the meeting of the Audit Committee before the publication of the financial results for HY2025 on 30 July 2025, the Audit Committee, taking into account the statement of the audit firm and the auditors submitted for the record, considered that both the audit firm and the persons reviewing the Company's and the Group's half-yearly condensed financial statements for HY2025 met the independence requirements.

The Audit Committee at its Meeting No. 4 of 2024 approved the provision of attestation services by the audit firm BDO sp. z o.o. sp.k. attestation services for the audit of the Supervisory Board's Reports on the remuneration of members of the Management Board and Supervisory Board for 2024, 2025 and 2026.

In addition, based on the recommendation of the Audit Committee on May 10, 2024, the cooperation with the auditing firm BDO sp. z o.o. sp.k., which performed audits and reviews of reports in previous years (2022-2023), was extended, i.e. the Supervisory Board on May 10, 2024 selected BDO sp. z o.o. sp.k. to audit the Company's separate financial statements and the ASEE Group's consolidated financial statements for the next 3 fiscal years, i.e. for 2024, 2025 and 2026, and to review the Company's semi-annual separate financial statements and the ASEE Group's consolidated financial statements for the first half of 2024 2025 and 2026.

The process of selecting the audit firm was carried out in accordance with the company's applicable laws and regulations, and the recommendation was free from third-party influence.

In light of the amendments to the Accounting Act and the Act on Statutory Auditors, Audit Firms and Public Supervision of 6 December 2024 regarding the provisions on the certification of sustainability reporting, by resolution of 17 December 2025, the Audit Committee updated the Policy on the selection of an audit firm, the Procedure for the Selection of an Audit Firm for Statutory Audits, the Policy on the Provision of Permitted Services Other Than Audits or Attestations of Sustainability Reports, and further adopted the Procedure for the Selection of an Audit Firm for the Attestation of Sustainability Reports.

The Audit Committee continuously monitors internal audit activities, which are carried out by the Group Internal Audit Manager, in accordance with the approved Audit Plan. In 2025, the internal audit function carried out a comprehensive programme of planned and ad hoc audits and consultations,

covering key areas such as sustainability reporting (ESRS), operational resilience in the digital environment (DORA), third-party risk assessment, secure software development, ATM and POS operations, business continuity, and selected management, operational and control processes.

In addition, the Audit Committee reviewed the status of internal control, risk management and compliance, including the status of corrective action implementations. Relevant issues related to internal control, including its objectives, its participants, were pointed out. The structure of the internal control system was discussed. The role of the introduced standardisation of documents and automation of processes and documents was emphasised.

Compliance tasks are performed by the appointed Compliance Officer of Asseco South Eastern Europe S.A. and local legal teams (or externally in the absence of internal resources).

In addition, the Committee reviewed the dividend policy, promotional, marketing and sponsorship expenses, consulting and legal expenses and tax issues.

The Audit Committee found the Company's risk management and risk management systems in place to be effective.

There are no other committees in operation within the Company.

- 3. An assessment of the company's situation on a consolidated basis, including an assessment of the internal control systems, risk management, compliance and the internal audit function, with information on the actions that the Supervisory Board has taken to make this assessment; this assessment shall include all relevant controls, including in particular those relating to reporting and operations;*

When assessing the Company's situation, it should be emphasised that the Company is the parent company of the Asseco South Eastern Europe Group (ASEE Group) and its core business is holding operations. With this in mind, the assessment of the Company's financial position should be made through the prism of the operations of the entire ASEE Group.

The Supervisory Board positively evaluates the situation of the Company and the ASEE Group, in particular in view of the following data.

The ASEE Group's sales revenue for 2025, expressed in PLN, amounted to PLN 1,799 million. This represents an increase of PLN 90 million, or 5%, compared with the previous year. Operating profit for the same period rose by PLN 25 million to reach PLN 251 million. Net profit attributable to shareholders of the parent company in 2025 amounted to PLN 198 million, representing a decrease of PLN 1 million compared to 2024. Meanwhile, EBITDA for 2025 amounted to PLN 367 million, compared to PLN 325 million in the previous year (an increase of 13%).

The Group's financial results for 2025 were significantly impacted by one-off, non-cash accounting events recognised in the third quarter relating to the operations of subsidiaries in India and the United Arab Emirates (UAE)

Revenue from sales in the Payment Solutions segment in 2025 amounted to EUR 211.5 million, representing an increase of EUR 15 million (8%) compared to the same period last year. Growth was recorded across all lines within the segment, with the largest contribution to this growth coming from the lines targeting retail customers directly ("Merchants") responsible for independent payment terminal networks (IPD) and electronic cash registers (ECR), whose revenue increased by EUR 5.9 million, mainly in South-Eastern Europe and, to a lesser extent, in Central and Western Europe.

Despite the increase in revenue described above, the segment's operating profit fell by EUR 5.4 million (-15%) year-on-year to EUR 29.9 million. Only the line responsible for independent payment terminal

(IPD) and electronic cash register (ECR) networks recorded an increase in operating profit of EUR 0.8 million.

The Banking Solutions segment achieved sales of EUR 78.0 million in 2025, representing an increase of EUR 10 million (15%) compared to the same period last year. All business lines recorded growth. The operating profit of the Banking Solutions segment in 2025 amounted to EUR 18.1 million, representing an increase of EUR 3.9 million (28%) compared to the same period of the previous year. As with revenue, the line responsible for core banking systems recorded the largest increase in profit, whilst the line responsible for security solutions also recorded a smaller increase.

Revenue from sales in the Dedicated Solutions segment in 2025 amounted to EUR 135.9 million, representing an increase of EUR 10 million (8%) compared to the same period last year, alongside a change in the business structure.

The Dedicated Solutions segment recorded the highest growth in operating profit of all segments, amounting to EUR 17.3 million.

The effective tax rate for 2025, adjusted for one-off items and the result of hyperinflationary revaluations, stood at 20.2% and was 1.3 percentage points higher than in the previous year.

In summary, the Supervisory Board positively assesses the financial performance and operational activities carried out by the Company and the Asseco South Eastern Europe Group.

The Supervisory Board also positively evaluates the system of internal control, management of the Company's significant risks, compliance and the internal audit function.

In the opinion of the Supervisory Board, the current system of internal control is effective and the implemented solutions make it possible to identify the types of risks significant for the Company's operations, manage them and determine their acceptable level. The system of internal control, risk management, compliance and the internal audit function have been designed to take into account the risks associated with the holding nature of the Company's business as well as its operational activities.

The internal control system is based on risk control mechanisms (contained in orders, regulations, instructions, terms of reference of individual employees) and on control exercised by employees. Key persons are responsible for establishing, implementing and monitoring an effective and efficient internal control system and for identifying and reviewing the risks incurred. The system of internal control and risk management with regard to the process of preparing financial statements at Asseco South Eastern Europe S.A. is implemented by the Management Board, Supervisory Board, Audit Committee and other employees.

The Company has a separate internal audit function, whose task is to review and evaluate the control mechanisms in place at the Company and the Group and to build a risk map. The Audit Committee monitors on an ongoing basis the internal audit activities carried out by the Group Internal Audit Manager in accordance with the approved Audit Plan.

Compliance tasks are currently performed by the Compliance Officer appointed at Asseco South Eastern Europe S.A., as well as local legal teams (or external teams in the absence of in-house resources). The Group Internal Audit Manager is included in the scope of compliance activities. As part of its audit recommendations, he identifies the main directions on which the Company's compliance activities should focus and the areas in which the Company needs to put in place specific solutions to ensure its operations comply with the regulations and standards applicable to public companies. In 2025, as part of its compliance activities, the Company adopted, amongst other things, the Sustainability and Governance Framework Policy, as well as updated versions of certain policies and procedures in force within the Asseco South Eastern Europe Group, namely: (i) the Vehicle Policy, (ii) the IT Procurement Policy, (iii) the Group Policy on the Acceptable Use of AI Chatbots, which has been replaced by the new Policy on the Generative Artificial Intelligence Use within the Asseco South Eastern

Europe Group. The Company recommended the implementation of the newly adopted policies and procedures in all companies of the Asseco South Eastern Europe Group and is monitoring the process of their implementation in its subsidiaries in order to ensure uniform compliance standards applicable in the Asseco South Eastern Europe Group.

In the Supervisory Board's opinion, the Management Board properly identified the types of risks significant to the Company and managed them effectively in a dynamically changing business environment and geopolitical situation.

4. *Assessment Company's application of the principles of compliance and corporate governance and the manner of fulfilling information obligations concerning their application, as specified in the Stock Exchange Rules and regulations concerning current and periodical information provided by issuers of securities, with information about actions taken by the Supervisory Board in order to perform this assessment;*

The Supervisory Board gives positive assessment of the Company's manner of fulfilling disclosure obligations concerning the compliance with the corporate governance defined in the Stock Exchange Rules and the regulations on current and periodic reports published by issuers of securities.

5. *Assessment of rationality of expenditures referred to in principle 1.5 of the Good Practices;*

The Supervisory Board has no reservations as to the rationality of the Company's expenditures on sponsorship activities, because it's marginal activity of the Company.

6. *Information on the degree of implementation the diversity policy with respect to the Management Board and the Supervisory Board, including the achievement referred in principle 2.1 of the Good Practices.*

Taking into account that the principle 2.1 is not applied and there is no diversity policy in Company, the Supervisory Board report on activity doesn't include information in this regard.

7. *Assessment of the implementation by the Management Board of the obligations referred to in Article 380<sup>1</sup> CCC;*

The Management Board provides the Supervisory Board with the information indicated in Article 380<sup>1</sup> of the CCC in the manner agreed with the Supervisory Board, so the Supervisory Board assesses that the Management Board properly fulfils the obligations indicated in the aforementioned provision.

8. *Evaluation of the manner in which the Management Board prepares or transmits to the Supervisory Board the information, documents, reports or explanations requested in accordance with the procedure set out in Article 382 § 4 CCC;*

In 2025, the Supervisory Board did not request the Company to provide additional information, documents and data. The Supervisory Board assesses the information, documents and data provided

as part of its ongoing cooperation with the Company as sufficient to properly assess the Company's situation.

9. *Information on the total remuneration payable by the Company for all examinations commissioned by the Supervisory Board during the financial year pursuant to section 382<sup>1</sup> of the CCC.*

The Supervisory Board of the Company did not appoint a Supervisory Board advisor in 2025.
